Do you like to create:

- Instagram photos
- poetry
- Youtube videos
- comics or sketches
- Tik Tok dance videos or
- lyrics and melodies?
- Or just want to express yourself through art?

Then share that creativity and submit your art to the PTA Reflections contest by 10/23!

This year's theme is:

I Matter Because...

For more info, go to the "Reflections" section on kilmerpta.org

National PTA's Reflections program provides opportunities for recognition and access to the arts which boost student confidence and success in the arts and in life.

Each year, over 300,000 students in Pre-K through Grade 12 create original works of art in response to a student-selected theme. This 50+ year-old program helps them explore their own thoughts, feelings and ideas, develop artistic literacy, increase confidence and find a love for learning that will help them become more successful in school and in life.

The theme for the 2020-2021 program year is I Matter Because.... Students submit their completed works of art in one or all of the available arts categories: Dance Choreography, Film Production, Literature, Music Composition, Photography, Visual Arts.
