Do you like to create:

- Instagram photos
- poetry
- Youtube videos
- comics or sketches
- Tik Tok dance videos or lyrics and melodies?
- Or just want to express yourself through art?

Then share that creativity and submit your art to the PTA Reflections contest by 10/23!

This year's theme is:

I Matter Because...

Appreciating our teachers!

The PTA was able to have our 1st "event" on Monday, October 12th to show our Kilmer teachers and staff how much we appreciate everything they do! Thank you to the teacher hospitality committee for all of the time and planning that made this possible. We look forward to planning another event soon! Thank you to all the parents that have joined the PTA and donated to the teacher appreciation fund. We could not do this without your support!

Michelle Boback - President
Jean Lee - Vice President
Jennifer Bishop - Treasurer
Poorani Jeyasekar - Secretary

VOLUNTEER NEEDED

The PTA would love to offer the opportunity to have Kilmer Spirit Wear available for the students. We need a parent volunteer to make this happen. In the past this has been a School/SGA offering and in light of virtual learning and adapting to the current situation we are happy to step in and help. If you are interested in helping with this, please email kilmerpta@gmail.com
